

Croatia & Beyond!

WITH YOUR HOST NADA CORY

YOUR HOST NADA CORY

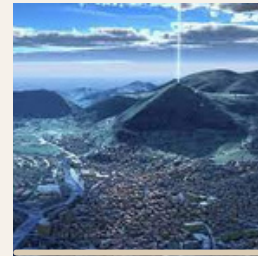

Nada is...a native Croatian! Born in Zagreb and raised in Pokupsko. She came to the US in 1972. In 1995 she started following a call to lead a more spiritual, holistic and metaphysical life. Eventually, it led her to help others who were as passionate as she is about this lifestyle. Although she lives in Florida she has never lost her love for her native country and now sees a way to involve others in discovering the wonders of Croatia and the Balkans. A trip with her combines the history of the area, the hidden, undiscovered gems, and the areas of healing, energetic light. This is a chance to connect and to commune with Mother Earth, its inhabitants and this ancient, mystical land.

LET'S EXPLORE THE WORLD!

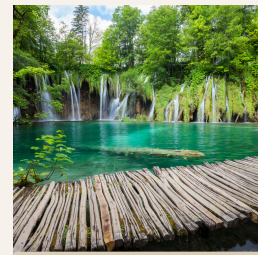

Croatia is an Eastern European country along the Adriatic Sea. It has over 1,000 islands and one of the richest archipelagos in the world.
